Copyright © 2014 Cambridge University Press
This book is part of the Cambridge International AS and A Level Coursebook series, which is published by Cambridge University Press. The coursebook is designed to provide a comprehensive and up-to-date resource for students studying AS and A Level Physics. It covers all the topics required for the Cambridge International AS and A Level Physics syllabus, and includes a wealth of worked examples, practice questions, and end-of-chapter problems. The coursebook is available in both print and digital formats, and is supported by a range of online resources, including interactive simulations and video tutorials. For more information on the coursebook and other Cambridge International AS and A Level Coursebook titles, please visit the Cambridge International AS and A Level Coursebook website at <http://www.cambridge.org/9780521876223>.
